ANNUAL REPORTS
OF THE
TOWN OFFICERS
OF
STODDARD, NH
FOR THE YEAR ENDING
DECEMBER 31, 1993

FRONT COVER:

STODDARD CENTER, TAKEN FROM DOW HILL AROUND 1900. THE CHURCH IS IN THE LEFT FOREGROUND. JUST BELOW IT IS THE CENTRAL HOUSE WHICH WAS TAKEN DOWN IN THE EARLY 1950'S. THIS INN WAS A POPULAR STOPPING PLACE FOR TRAVELERS. THE GUEST WOULD BE ENTERTAINED IN EITHER THE TAP ROOM OR IN THE WARM WEATHER THE DANCE FLOOR WAS OPENED. THE TAP ROOM STILL EXIST AND CAN BE SEEN AT THE SPUTER TAVERN AT MYSTIC SEAPORT MUSEUM IN MYSTIC, CT.

A Community is like a ship; everyone ought to be prepared to take the helm.

SELECTMEN'S NARRATIVE

This section of the The Town Report usually recaps the years projects and looks forward to the new year unfolding. We are reminded of the projects; King Street, the well attended auction in August, the new, entrance, furnace, water filter and storm windows in the Town Hall. The Community Services and Road Committees work and the hearings and concerns of Granite Lake bypass project. However, our thoughts continue to return to the tragedies of our neighboring Communities.

The increased violence in our society is coming closer and closer to home. We would be remiss in not acknowledging the efforts of our dedicated town employees. The volumes of paperwork, endless phone calls, and numerous hours they make themselves available above and beyond their regulars office hours are greatly appreciated. These people provide a core of services for a modest price. To better understand what these employees do we started the process of developing job descriptions. The results will be found in the coming pages. We hope these are informative, we firmly believe the more you (the resident, the voter but most of all the taxpayer) know about what they do, the more you can appreciate their services.

In recent months we know that we have asked ourselves "Is it worth it?" We think back to the oath we took, to "faithfully and impartially discharge and perform all the duties...according to the best of my abilities," and we wonder if our abilities have been altered by the violence of recent months. But we also remember what this and all municipal jobs are about; The love of where you live and the belief you can make a difference. With the cooperation and understanding of our citizens, we can reach the ultimate goal - Stoddard a town where all generations live in harmony, proudly and affordably!

Respectfully submitted
Board of Selectmen
Brenda J. Bryer
John D. Halter
James T. D'Arcy, Jr.

The Bible tells us to love our neighbors, and also to love our enemies; probably because they are generally the same people.

-G.K. Chesterton

TOWN OF STODDARD
TOWN WARRANT

The Polls will be open from 1:00 PM to 7:00 PM

To the inhabitants of the Town of Stoddard in the said County of Cheshire in the State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday, the Eighth (8th) day of March 1994 at One (1:00 PM) of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.

You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday the Fifteenth (15th) day of March 1994 at Seven (7:00 PM) of the clock in the evening, to act upon the following articles 2 through 36:

2. To see if the Town will vote to authorize the Selectmen and Treasurer to borrow money in anticipation of taxes if necessary.
3. To see if the Town will vote to raise and appropriate the sum of \$50,000 for the operational expenses of the Stoddard Recycling and Transfer Station.
4. To see if the Town will vote to raise and appropriate the sum of \$15,815 for the operating budget of the Stoddard Fire & Rescue Department for the ensuing year.
5. To see if the Town will vote to raise and appropriate the sum of \$2,500 for Antrim ambulance service for the ensuing year
6. To see if the town will vote to raise and appropriate the sum of \$58,000 for the purchase of a 4-wheel drive rescue vehicle and to authorize the withdrawal of \$20,000 and all accumulated interest earned from the capital reserve fund created in 1992 for that purpose. The balance of up to \$38,000 to be raised from general taxation.
7. To see if the town will vote to raise and appropriate the sum of \$58,000 to purchase a 4-wheel drive rescue vehicle and to authorize the issuance of not more than \$38,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the withdrawal of \$20,000 from the Rescue Vehicle Capital Reserve fund created for this purpose.
(2/3 ballot vote required)
8. To see if the Town will raise and appropriate the sum of \$20,330 for the 1st year payment of interest and principal on the 4-wheel drive vehicle bond.
9. To see if the town will vote to raise and appropriate \$20,000 to be placed in the capital reserve fund established in 1992 for the purchase of a 4-wheel drive rescue vehicle.
10. To see if the Town will vote to raise and appropriate the sum of \$1,500 for the operating budget of the Stoddard Fire Warden, to include the purchase of equipment, meeting and training.
11. To see if the Town will vote to raise and appropriate the sum of \$450 for the purchase of a mobile radio for the brush truck.
12. To See if the Town will vote to raise and appropriate the sum of \$621 as its share for the support of the Monadnock Family and Mental Health Services.

13. To see if the Town will vote to raise and appropriate the sum of \$1,800 as its share for the support of the Home Health Care and Community Services.
14. To see if the Town will vote to raise and appropriate the sum of \$500 as its share for the support of the Community Kitchen.
15. To see if the Town will vote to raise and appropriate the sum of \$3,220 for the operation and maintenance of the Davis Library.
16. To see if the town will vote to raise and appropriate the sum of \$5,000 for a additional handicap entrance to the Davis Library.
17. To see if the Town will vote to raise and appropriate the sum of \$107,530 to defray Town charges for the ensuing year.
18. To see if the Town will vote to raise and appropriate the sum of \$300 for purchase of a facsimile (fax) machine for the Town Offices.
19. To see if the Town will vote to raise and appropriate the sum of \$2,500 to restore & microfilm three (3) volumes of old town records.
20. To see if the Town will vote to raise and appropriate the sum of \$1,500 for the purchase of an additional computer for the Town offices.
21. To see if the Town will vote to move the War monument from in front of the Town Hall to any other location in town.
22. To see if the Town will vote to raise and appropriate the sum of \$2,660 as operating budget for the Stoddard Planning Board for the ensuing year.
23. To see if the Town will vote to raise and appropriate the sum of \$621 for membership to the Southwest Region Planning Commission for the coming year.
24. To see if the Town will vote to raise and appropriate the sum of \$900 for the operating budget of the Stoddard Zoning Board of Adjustment.
25. To see if the Town will vote to raise and appropriate the sum of \$200 for the operation of the Stoddard Conservation Commission.
26. To see if the Town will vote to raise and appropriate the sum of \$970 for the Lay Monitoring Program.
27. To see if the Town will vote to authorize the Selectmen to apply for and accept gifts and /or State or Federal Aid in the name of the Town of Stoddard for the operation and legitimate expenditures of any appropriate Stoddard agency.
28. To see If the Town will vote to authorize the Selectmen to sell by auction or by advertised sealed bid, or in such other manner as determined by the Selectmen as justice may require properties acquired by the Town through Tax Collector's deeds in accordance with RSA 80 42.
29. To see if the Town will vote to raise and appropriate the sum of \$9,420 for the operating budget of the Stoddard Police Department.
30. To see if the Town will vote to raise and appropriate the sum of \$120,000 for winter and summer maintenance, emergencies & repair of Town roads and bridges.
31. To see if the Town will vote to raise and appropriate the sum of \$20,000 to open to a Capital Reserve fund for the replacing of Bridge # 135-109 on Shedd Hill Road.

32. To see if the town will vote to raise and appropriate the sum of \$5,000 to investigate properties for new town offices.

33. To see if the Town will vote to raise and appropriate the sum of \$20,000 to add to a Capital Reserve fund created in 1992 for the purchase of land and or buildings for future Town use.

34. To see if the Town will vote to raise and appropriate the sum of \$5,000 for the removal and replacement of the Town Hall oil tank. Replacement to include building a shed and purchasing and installation of new above ground tanks.

35. To see if the Town will vote to raise and appropriate the sum of \$8400 for painting the Town Hall and Transfer Station.

36. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this seventh day of February in the year of our Lord, nineteen hundred and ninety three.

John D. Halter, Chairman

James T. D'Arcy, Jr.

Brenda J. Bryer

ADMINISTRATIVE ASSISTANT TO THE BOARD OF SELECTMEN

JOB SUMMARY

Performs a wide variety of general administrative functions working under the general supervision of the Board of Selectmen. Performs duties with some independence, exercises judgment and tact in answering inquiries and determining correct courses of action in matters not warranting Selectmen's attention. Coordinates the weekly administrative functions and the project of the month, for the Board of Selectmen.

SUPERVISION RECEIVED

Works under the general supervision of the Board of Selectmen.

DUTIES INCLUDE

1. Attends all Board of Selectmen meetings, takes minutes and assist Selectmen. Types and posts meeting minutes, plus any other notices required by law or ordinance.
2. Opens office during week, for approximately (4) four hours, to assist visitors and receives telephone calls, answering routine inquiries based on knowledge of operations.
3. Types a variety of correspondence, memoranda, forms, and financial reports, assuring spelling, grammar and punctuation are correct.
4. Assures proper maintenance of various office machines, requisitions supplies.
5. Assists Selectmen with the preparation of the Annual Town Report, Tax Collectors Warrant and other reports as required.
6. Performs research as required for various projects as may be assigned.
7. Maintains computerized accounting system, including bill paying and input of receivables. Reconciling monthly with Treasurer's Report and bank statements. Making available a monthly report for Selectmen and current balances for other departments when requested.
8. Maintains Property Tax Blotter and Granite Lake Village District Tax Blotter. Includes maintaining logs of deeds, forwarding deeds to Cartographic Asso., updates assessment cards, files deeds in record books and updates tax map book. Prints semi-annual blotter and warrant by May 15 for Selectmen. Prints annual blotter and warrant by October 15 for Selectmen.
9. Performs other related duties as required.

KNOWLEDGE, SKILLS AND ABILITIES REQUIRED

Considerable knowledge of modern accounting office practices and procedures. Considerable knowledge of business English, spelling, vocabulary and arithmetic. Ability to type financial reports accurately and rapidly, to communicate in oral and written form, to maintain accurate records and files, and to establish and maintain effective working relationships with other departments, employees, and the general public and to work independently.

MINIMUM QUALIFICATIONS REQUIRED

Graduation from a standard high school supplemented by specialized training in secretarial skills and two years experience in secretarial work; OR any equivalent combination of education and experience which demonstrates possession of the required knowledge, skills and abilities.

Selectmen's Note:

This position requires 32/ 40 hrs per week, depending on time of year and number of projects.

TAX COLLECTOR

JOB SUMMARY

Is responsible for administering the town's collection program including collection and recording of all taxes, deposits all monies in a timely manner; legal duties relative to tax lien procedure.

SUPERVISION RECEIVED

Work is checked by annual audit and is subject to review by the New Hampshire Department of Revenue Administration. Performs duties independently, making decisions concerning all areas of tax collection, using own technical judgment and outlined federal, state and local ordinances, laws and regulations.

DUTIES INCLUDE

1. Supervises and is responsible for collection of town tax revenue and deposits. Prints, audits and mails tax bills twice annually. Prints, audits and mails Granite Lake village District bills annually. Oversees collection of real estate, yield and special assessments. Assures that appropriate accounting controls are maintained.
2. Prepares for and conducts the Tax lien annually. Preparation involves such things as legal notices and recording of documents at the Registry of Deeds, and forwarding required information to Town Council for deed work.
3. Represents the town on tax or accounts owed matters. May appear before legislative committees to testify on tax issues.
4. Prepares required state and federal reports. Prepares monthly and annual tax collectors reports. Prepares annual department budget and consults with Board of Selectmen on this and policy matters.
5. Answers inquiries from and provides information to the public on taxation and assessment performed by contracted firms.
6. Performs other related duties as required. Keeps available all supplies needed.

KNOWLEDGE, SKILLS AND ABILITIES REQUIRED

Considerable knowledge of principles and procedures of modern accounting, including governmental accounting; thorough knowledge of town, state and federal laws and ordinances regarding local taxation, tax sale procedure, and reporting; some knowledge of the principles of management; considerable knowledge of standard office practices, procedures and equipment. Ability to plan, assign and supervise work of others; ability to speak and write effectively; ability to prepare complex accounting reports; ability to develop and maintain effective working relationships with people including subordinates, the public, other town departments, realtors, and officials; ability to interpret laws and regulations as they relate to taxation; ability to apply mathematics to specific tax computation problems.

MINIMUM QUALIFICATIONS REQUIRED

Education and experience which demonstrates possession of the required knowledge, skills and abilities. Elected position.

Selectmen's Note:

This position requires 30 / 35 hrs per week, depending on time of year and number of projects.

TOWN CLERK

JOB SUMMARY

Plans, organizes, directs, and participates in responsible record-keeping activities of the town. Maintains official records and vital statistics of the town; serves as Clerk to the town prescribed by state law and town ordinance. Prepares official reports, collects fees, serves as elections official, operates substation for state motor vehicle department. Prepares bank deposits.

SUPERVISION RECEIVED

Works under the broad administrative direction of the Board of Selectmen. Assigned duties are carried out independently in accordance with legal prescribed responsibilities. Work is reviewed through reports, conferences, audits and observation of results.

SUPERVISION EXERCISED

Provides supervision to an assistant clerical employee. Assigns, provides instruction, and reviews work of assigned employee.

DUTIES INCLUDE

1. Serves as custodial of town records, supervises the recording and reporting of vital statistics (births, deaths, marriages), personal property mortgages, tax liens, bills of sale and other documents; certifies copies of records for the general public. Prepares jurors list.
2. Serves as motor vehicle registration agent for Town.
3. Supervises the issuances of permits and licenses in accordance with state laws and town ordinances, e.g. marriage intentions and licenses, dog licenses. Collects and records fees; maintains cash book. Prepares bank deposits.
4. As Clerk to the Town Meeting; attends meeting and takes minutes of meeting.
5. Arranges for municipal, state, and national elections and oversees the maintenance of all election records; prepares ballots and newspaper notices.
6. Prepares monthly and annual report of Town Clerk, and election activities.
7. Maintains effective communications with all town departments, the Board Of Selectmen and the public regarding questions of law, procedures and information related to town records.
8. Performs other related duties as required.

KNOWLEDGE, SKILLS AND ABILITIES REQUIRED

Considerable knowledge of state and local laws governing elections, motor vehicle registration, licensing, vital statistics and related laws governing operations of Town Clerk's office; considerable knowledge of town organization, of office practices and procedures, particularly records maintenance; some knowledge of management and accounting principles; ability to plan, organize and supervise the work of others; to make accurate arithmetic calculations; to speak and write effectively; to maintain records and prepare reports; and to establish and maintain effective working relationships with the public, subordinates, Board of Selectmen and other town departments.

MINIMUM QUALIFICATIONS REQUIRED

Education and experience which demonstrates possession of the required knowledge, skills and abilities. Elected position.

Selectmen's Note:

This position requires 20 / 25 hrs per week, depending on time of year and number of projects.

TREASURER

JOB SUMMARY

Is responsible for the custody, deposit, and disbursement of Town Funds. Also responsible for the maintenance of related books, records and reports. The Treasurer pays out funds only on the orders of the Board of Selectmen.

SUPERVISION RECEIVED

Works under the general direction of the Board of Selectmen, who establishes general department policies; provides advice and direction on borrowing, investments and accounting practices. Duties are also performed in accordance with federal, state and town laws, codes, ordinances and regulations.

DUTIES INCLUDE

1. Ensures the most advantageous cash flow position be maintained at all times.
2. Receives and pursues receipts of all cash, receivables and other revenues of various Town departments; maintains records of cash receipts and produces related reports; deposits all money received, maintaining separation by type of fund.
3. Maintains summary check register showing disbursements from various bank accounts.
4. Audits all checks written checking for accuracy.
5. Signs all checks, notes and bonds of the Town as warranted to effectuate proper distribution.
6. Maintains files of paid bills
7. Checks the weekly manifest and reconciles Selectmen's balance with Treasurer's balance.
8. Receives monthly reports from other Town departments, and banks. Reconciles all accounts.
9. Prepares required state and federal reports.
10. Prepares monthly and annual Treasurer Report

KNOWLEDGE, SKILLS AND ABILITIES REQUIRED

Thorough knowledge of generally accepted accounting practices, bookkeeping, and related record keeping procedures. Working knowledge of office methods and procedures. Ability to perform detailed work involving written or numerical data and to make arithmetical calculations rapidly and accurately. Ability to prepare complete and accurate accounting reports and statements of moderate difficulty. Ability to work Independently.

MINIMUM QUALIFICATIONS REQUIRED

Education and experience which demonstrates possession of the required know ledge, skills and abilities. Elected position.

Selectmen's Note:

This position requires 10/15 hrs per week, depending on time of year and number of projects.

AUDITORS REPORT

We hereby certify that we have examined the records of the Selectmen, Town Clerk, Tax Collector, Treasurer, Trustee of Trust Funds, Cemetary Commission, Library Trustee, Planning Board and Boat Permit Fee Agent of the Town of Stoddard, New Hampshire for the year ending December 31, 1992.

In our opinion, the aforementioned records together with their financial statements and auditor's report present fairly the financial position and the results of its operations and changes in it's financial position for the year ended, in conformity with generally accepted accounting principles, applied using cash basis methods consistent with that of the preceding year.

Verifications notices were sent (21) were sent to the highest unpaid tax bills on April 18, 1993 with request for responses for incorrect bills only.

Respectfully submitted:
Virginia R. & Louis E. GrandPre', Town Auditors

The strength of a nation derives from the integrity of the home.
-Confucious

STODDARD FIRE & RESCUE DEPARTMENT

This year we participated in and responded to a total of 134 emergency calls and activities.

- * 23 fire calls
- * 23 medical calls
- * 8 motor vehicle accidents
- * 20 training drills
- * 10 meetings
- * 50 radio checks

Due to the number and severity of the medical and vehicle rescue calls, we believe that now is the time to purchase a more reliable and useful rescue truck. We need to be able to respond to emergencies quickly and safely with a 4 wheel drive vehicle that can contain our inventory of necessary rescue and aid equipment. Our current vehicle cannot do this.

This year we addressed the need for a rescue boat to protect and serve the homes and cottages on our lakes and to respond to all water emergencies. We started a rescue boat fund to raise the sum of \$8,000 through contributions to purchase a used pontoon boat and equip it for water rescue and fire fighting. At this point, we have reached half of our goal and have purchased a boat aiming to have it operational for the summer of 1994. To complete this project, we will be asking for contributions from the townspeople.

We are also concerned about the condition of our two pumper trucks. Our first response truck pumps 750 GPM and is approaching 20 years of service. It is tired and needs to be replaced. Our backup pumper is less powerful, 500 GPM, and older, circa 1956. It is completely outdated and deserves retirement.

We continue our extensive training program so that we can meet any emergency. This year 2 more members achieved Class 1 certification.

We appreciate the generous support of the townspeople over the past year. It is our goal to continue to increase our service through comprehensive training according to state standards and fast effective response to fire and rescue calls. We invite potential new members to come to the station on Sunday mornings. We also offer car wash service, on Sundays, from 10 to 11 AM.

Respectfully submitted:
Brian Cahill, Chief
John Cressy, Deputy Chief
P.J. Lamothe, Rescue Captain
Joe Sarcione, Captain
Wally Weaver, Lieutenant

Determine that the thing can and shall be done, and then we shall find the way.

-Abraham Lincoln

FOREST FIRE WARDEN AND STATE FOREST RANGER

1993 was one of the driest summers in 20 years. Cheshire County had only 31 fires reported. That's down from last year 44 fires reported. The average size of fires this year was well under 1/4 acre. That is about the same from last year.

Our 2 Fire Towers in Cheshire County reported a total of 21 fires in the area. That number is up slightly from last year. Please help your town and State Forest Fire officials with Fire Prevention.

New Hampshire State Law (RSA 224:27) requires that "NO person firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open except when the ground is covered with snow, without first obtaining a written Fire Permit from the Forest Fire Warden of the town where the burning is to be done.

Violation of the State is a misdemeanor, punishable by a fine of up to \$1,000.00 and/or a year in jail and you are liable for all fire suppression costs.

Please help your Warden and Fire Department by requesting and obtaining a fire permit before kindling an open fire.

You can obtain a fire permit from one of the following persons: Forest Fire Warden - Joseph Sarcione

Deputy Fire Warden - P.J. Lamothe

Deputy Fire Warden - Lewis Clark

If you have any questions regarding New Hampshire Forest Fire Laws please contact your local Forest Fire Warden, State Forest Ranger or Division of Forest and Lands at 271-2217.

Respectfully submitted:
Joseph Sarcione, Forest Fire Warden

POLICE DEPARTMENT

The Police Department has met all the certifications and training criteria which is mandated yearly. I believe the department has the capacity and knowledge to handle any incident which may occur. We have been very active and successful in our criminal cases. We have cases pending that are being investigated jointly with other agencies. The department has to the best of our ability and professionalism, tried to provide the Town with essential protection and safety services.

In 1993 we utilized the old Fire Station for a Police Department. This has proved extremely beneficial by providing all officers twenty-four hour access to active warrants and restraining orders etc. The building has served us well for the much needed office space, although arrests will still be processed in Keene. It also serves for storage of supplies and as a place to bring stranded motorist to wait for a ride.

With the increase of Patrols we find that accidents and break-ins have decreased from previous years. We did over one hundred motor vehicle stops in 1993 with numerous warnings and summonses issued.

In 1993 we also switched from revolver's to semi-automatic pistols. The purpose of which is to provide each member of the department with equal and up to date Firearms and Training, and to meet requirements of the Police Standards and Training Council.

We would like to thank the Island Pond Association for their support, as well as State, Sheriff and Local Police Agencies.

Respectfully submitted:
David L. Vaillancourt, Constable/Police Chief

He who does not prevent crime when he can, encourages it.
-Seneca

PLANNING BOARD

The Stoddard Planning Board met monthly and in several special sessions this year. Five subdivision applications were approved and additional numbers of property owners were assisted in preliminary consultations.

The lull in development activity allowed the Board to complete the work of reorganizing subdivision regulations and bringing them into conformity with state law.

One or more members of the Planning Board attended all spring and fall municipal law lectures in order to be well informed about Board responsibilities and about the legal implications of Board actions. In addition, a Southwest Regional Planning Commission planner provided an educational program regarding RSA 155 E, Regulation of Excavations, for the Board. A well-attended public meeting, with a panel of experts, was sponsored by the Planning Board to review issues of road planning and policy.

The Robb Reservoir subdivision applicant has obtained renewal of state and federal permits and has obtained a ruling with conditions from the ZBA, but has not appeared before the Planning Board this year. Residents of Stoddard need to be aware that the budget submitted for Planning Board operations does not reflect expenditures that could be necessitated by a large development project.

This year Stoddard residents have taken a very active role in planning for the future of the town by participating in the work of several planning committees. The Planning Board, recognizing that there are difficult decisions to be made, wishes to thank residents who are working on planning issues. We also thank Patricia Putnam, Board Secretary, for so ably attending to the many legal and organizational requirements of Planning Board operations.

Respectfully submitted:
Patricia M. Campbell, Chairman

One person with a belief is a social power equal to 99 who have only interests.

-John Stuart Mill

ZONING BOARD OF ADJUSTMENTS

1993 was a relatively quiet year for the Stoddard Zoning Board of Adjustment. Only three cases were heard by the Board. The most significant case to come before the Board was a request for a special exception involving wetland crossings in the proposed Robb Reservoir development.

As we begin 1994, the Zoning Board of Adjustment is faced with a major concern of recruiting new members. Several Board members expect to be moving out of Stoddard this year. We need two to four new volunteers to maintain a full Board of five regular members and at least two alternates. Our once a month (and of ten less frequent) evening meetings make the ZBA an interesting but not overly time consuming way residents of Stoddard can contribute a valuable service to the town. No special training nor expertise is required.

We urge anyone interested in considering this type of service to contact any member of the Board to learn more about our activities. The experience can be both informative and personally satisfying.

Respectfully submitted:
Bob Cowie, Chairperson
Cindy Bohl, Rodger Chadd,
Larry Howard & Bev Power

ANIMAL CONTROL OFFICER

As was the case in 1992, 1993 animal related incidents again decreased. This would not have been possible without the constant and supportive assistance received from Stoddard Police, David Vaillancourt and Don Fleming. I cannot thank them enough. While enforcement of the law is not my favorite aspect of this job, without it your tax dollar costs would show a continual escalation from year to year.

In 1993 there were only 57 calls (down from 88 in 1992 and 134 in 1991). Of these calls the officer(s) responded to 23 incidents/complaints with the remaining calls being handled by phone. These were mostly lost animals that owners were looking for. One of the response calls was a cat, one a pig, one for sheep and the rest were dogs (one hit by car). It is very rewarding to know the Stoddard residents are being so diligent in their responsibilities towards their animals.

For the past several years Stoddard has participated in a Rabies Clinic with the Towns of Nelson, Sullivan and Harrisville. It is our intent to continue to do so. With the disease of rabies on the rise throughout the State in addition to the January 1993 requirement by the State that cats also be vaccinated for rabies, this clinic is financially beneficial to all dog and cat owners. In addition, your Town Clerk, Joan Read, is at this clinic (and does not charge the Town for her time) and will be able to register dogs at the same time the vaccination is given thereby saving a special trip to her office. We appreciate Joan's volunteer efforts on behalf of the Town. We will post fliers and send notices to dog owners whose dogs are due for the rabies shots prior to this event which is generally held the first part of April.

Thank you all for the tremendous efforts on your part to decrease the time and monies spent in the Animal Control office.

Respectfully submitted:
Joan Zelasny, Animal Control Officer

The dog has got more fun out of Man than Man has got out of the dog, for the clearly demonstrable reason that Man is the more laughable of the two animals.

-James Thurber, Thurber's Dogs

A dog wags its tail with its heart.

-Martin Buxbaum

If you thing dogs can't count, try putting three dog biscuits in your pocket and giving Fido only two of them.

-Phil Pastoret

DAVIS PUBLIC LIBRARY

The Library is open Thursday evenings from 7:00 to 9:00 p.m. and on Saturday mornings from 9:30 to 10:30 a.m.

A new activity at the Library this year was a children's story hour held on Saturday mornings during the summer. Rebecca Hulslander volunteered for this program.

The Library continues to subscribe to the Junior Literary Guild from which we receive three new award winning books of different reading levels each month. The Library's videotape collection continues to grow. Tapes are loaned free for a week. The Library receives several periodicals in addition to the new book titles added throughout the year. Magazines received include the Sierra Club Magazine, Forest Notes, Trowel, House Plans, and Free China Review.

More than 250 new titles were added to the collections this year and circulation exceeded 1200. The library was used as a meeting place by several town committees during the year.

Earle Lund and Alan Rumrill designated their 1993 Rotary Bookshelf donations to the Stoddard library. An anonymous donation of \$50.00 was also received for the purchase of children's books.

We extend our thanks to all of the people who made donations to the collections during 1993. They included Brenda Bryer, Susan Shea, Kim & Alan Rumrill, Pat & Glynn Wells, the Scientology Society, the American Geographical Society, Pat Putnam, Nancy & Jim Bailey, Sue Taylor, Frances Woods, Pam Hebert, Mr. & Mrs. George Baker, Pauline Chandler, Charles Chandler, Jim Goddard, James & Jean Cass, Mr. & Mrs. Edwin Ostrowski, Angelina Rallo, Time/Life, Mrs. Jerry Hulsizer and other anonymous donors.

Respectfully submitted:
Frances Rumrill, Librarian

Nothing will divide this nation more than ignorance, and nothing can bring us together better than an educated population.

CONSERVATION COMMISSION

The Stoddard Conservation Commission (CC) continues to investigate Dredge & Fill applications. There have also been some complaints of State Wetland Board Permits are required for projects in wetlands and in or beside surface waters. The town of Durham CC has put out a guide as to what needs a permit. Some examples:

dredging - almost any form of digging

filling - implies solid material, sand/gravel. (NOT brush, manure, stumps)

new construction - includes docks and decks

repairs - if it involves work below the waterline.

Stoddard has a 50' buffer zone to maintain natural vegetation along the shores of lakes and wetlands. The purpose of this is to catch run-off from landward activities before it has a chance to enter the lake or wetland, thus causing erosion and sedimentation, in fragile areas.

The lake with the most attention this year has been Granite Lake, because of the new highway bypass work, and the erosion and run-off this has caused into the lake. Nobody (except the State lake-testing lab) believed sediment would rush down through all those woods from the project alignment and enter Granite Lake, but it has repeatedly, and still sometimes overwhelms mitigation barriers now in place, in a heavy rain. As of December the DOT has designated Mr. Craig Forrest as Environmental Protection Coordinator on this project. He is detailed to be on the construction sites daily, and can be reached through the NH DOT trailer on the Nelson Road.

LAKE ASSESSMENT REPORT

We received a beautifully organized program from Cindy Bohl and have carried on in the path she blazed. Thanks, Cindy, for all your efforts and organization. I could not have done it without that, and also without the excellent support I received from many people in town, and the excellent crews and their boats on the various lakes. I also extend gratitude to the Selectmen for their continued support. Results and explanations of the tests follow this report.

A brief recap of lakeside DO's and DON'T's:

- Do Pump out your septic tank every 3-5 years
- Do Maintain your system and check your leachfield area.
- Do Use low or non-phosphate detergents.
- Do Keep land clearing to a minimum.
- Do Maintain a buffer of natural vegetation at least 50' deep along the shore.
- Do not bathe, shampoo, wash boats, pets, or things in or near the lake with soap.
- Do not wash autos near the lake.
- Do not use fertilizer near the lake shore.
- Do not burn brush or leaves near the shore, or on the ice in winter.
- Do not urinate or defecate in the lake, and don't allow pets to do so.

TEST DESCRIPTIONS:

pH A measurement of acidity. A pH of 7 is neutral. Lower pH values indicate acidic conditions. High pH values indicate basic (alkaline) conditions. Little or no fish life remains when pH falls much below 5. NH average is 6.0.

Transparency A measure of water clarity, affected by the amount of phytoplankton, color (dissolved organic compounds), and particulate matter in the lake. Measured by lowering a Secchi disk into the water and observing depth for disappearance. Standard: >13.1 ft. is Oligotrophic, 6.6 to 13.1 ft. is Mesotrophic, and <6.6 ft. is Eutrophic. NH average is 12.8.

Chlorophyll *a* A green pigment in plants required for photosynthesis. A good indicator of abundance of microscopic plants and algae. Units are mg. per cubic meter. Standard: <4 is Oligotrophic, 4 to 10 is Mesotrophic, and >15 is Eutrophic. NH average is 7.3.

Total Phosphorus Limiting nutrient that promotes plant and algae growth in lakes. Increased TP encourages excessive weed growth and algae blooms. Comes from decaying matter, soils, leachfields, land clearing, and agriculture runoff. Units are ug/L. Standard: <10 is Oligotrophic, and >20 is Eutrophic. NH average is 11.

Color A measure of dissolved metals (iron and manganese), dissolved organic compounds, and suspended matter in water. Standard: 0 to 20 is crystal clear, 20 to 35 is slightly tea-colored, and 35 to 100 is tea colored to highly colored. NH average is 25.

Conductivity Ability of water to carry an electrical current. High conductivity may indicate pollution from road salting, faulty septic systems or agriculture runoff. Units are umhos/cm. Standard: 0 to 50 is Oligotrophic, 50 to 100 is Mesotrophic, and >100 is Eutrophic. NH average is 56.4.

COMMUNITY SERVICES COMMITTEE

The Stoddard Community Services Committee was formed to aid the Selectmen in budgeting for the needs of the town. They asked us to find out the needs of each Town Department for the next five years; they also asked for a prioritized list of these expenditures.

We have spent numerous hours gathering information from all of the Departments. The Departments were given a questionnaire for their future needs. The Departments then sat down with this Committee to make sure that we understood their requirements for the next five years. The responses received were numerous and very costly if we tried to fill all of them. The goal of the Committee was to pick out the requests that are most essential for the Town. The other goal was to make it the most sensible for the Taxpayers of Stoddard. We decided to take a conservative approach by not recommending hundreds of thousands of dollars and taking the town into massive debt. We feel the recommendations are responsible and achievable over the next five or six years.

The gathering of information was the easiest task for the Committee. The hard part for the Committee was assigning estimated costs and prioritizing these needs. We decided to only give rough estimates. The number of options and cost fluctuations make this a difficult task at best. The prioritizing of the list is our best judgment given the facts that we have today. The list should be reviewed each year before the Selectmen propose a budget. As we all know, new needs may arise and priorities may change for many different reasons.

It must be pointed out that this report is like taking a snapshot today of the future. As time passes, new needs may arise and current needs may be filled or postponed. No one can predict the future, but we can at least have some goals or plans for our future. The following is a list of our recommendations and hopefully a sound justification of these expenditures.

1. Rescue Vehicle Replacement
2. Shedd Hill Bridge Repairs
3. Police Vehicle
4. Land for Transfer Station
5. Pumper Replacement
6. Transfer Station Relocation

RESCUE VEHICLE

FIRE DEPARTMENT

The current Rescue Vehicle is a 1978 Ford that was purchased used in 1984. The majority of calls for the Fire and Rescue Department are of the Rescue type. The current vehicle is very close to the maximum GVW and has no room for injured people awaiting transport to hospitals. The vehicle also has no four wheel drive. The radio and ignition systems are also unreliable. This vehicle is the Fire Departments number one priority for replacement.

The Town has already set aside \$20,000 for a replacement vehicle. We feel the town should set aside the additional \$33,000 at the next Town Meeting. The amended amount at last years meeting put the total cost at \$53,000. The Fire Department wants to be on a twenty to twenty five year vehicle replacement program.

SHEDD HILL BRIDGE

HIGHWAY DEPARTMENT

The Shedd Hill Road bridge located just past the Fire Station has been in need of repairs for several years. While the Road Committee studied the bridge repair options and its urgency, we feel that a direct threat to public safety and town liability should be addressed as soon as possible.

The Road Committee informed us that the net cost of the bridge repair would cost \$60,000.

POLICE VEHICLE

POLICE DEPARTMENT

The Town does not currently own a Police Vehicle. The Police Department uses their own personal cars for the town and is reimbursed for mileage. The Police Department is unable to obtain insurance for Prisoner Transportation and for using Radar, in a privately owned vehicle. The options available are to lease a car or buy a car so the Town may get insurance for the Police Department. There has been great opposition for the purchasing of a vehicle due to the limited mileage that would be put on the car.

The Committee recommends the purchase of a used vehicle for the Police Department. A late model car with low mileage would service the Department for at least the next five years. As Stoddard grows in population the number of calls for Police services will increase. We feel that the purchase of a vehicle can be accomplished with \$12,000 maximum, including radio, lights and accessories.

LAND

TRANSFER STATION

The town has recognized a need to buy land for future town use by setting aside \$25,000 in capital reserve funds. It is our recommendation that the town set aside \$5,000 for the purchase of land that could be used for a transfer station. The town should actively pursue possible sites when it has \$30,000 set aside. The site could also be used as a town storage barn if ever needed. The current location of the Transfer Station was a temporary solution at that time. We feel a Transfer Station should be located outside Residential Areas designated in Town. The land area we propose should be 3-5 acres to allow for a sufficient visual buffer zone. State Regulations should be consulted before the actual purchase.

If the Town decides to move the current transfer station; it should consider using the current structure for possible Town Offices.

PUMPER VEHICLE

FIRE DEPARTMENT

The pumper truck to be replaced is a 1956 FWD Pumper that is 37 years old. We feel the age of the truck speaks for the replacement justification. Parts are very difficult to find for basic repairs. The replacement pumper would become the first line pumper and the 1976 International would become the secondary pumper.

The cost estimate of a new pumper replacement would be approximately \$135,000.

TRANSFER STATION

TRANSFER STATION

The need for a transfer station is discussed in the Land for Transfer Station. It is most likely that State Regulations would be changed by the time this project is started. The regulations should be checked before plans are developed.

An unheated recycling/transfer facility with concrete bins was suggested to the committee. This would house our current baler and crusher indoors. A small heated area with minimal plumbing and utilities would also be needed for the attendant. The estimated costs for the facility is \$50,000 to \$60,000.

We would also like to point out other projects or suggestions that were discussed during our deliberations. Perhaps the most talked about subject was the need for Town Offices. This would be a building where the Town Clerk, Tax Collector, Selectmen and Police Department could conduct business. They could also share office equipment and computers. By consolidating these offices we could hopefully save on insurance, plowing and other overhead costs. The residents of Stoddard would gain by having its government in one location. As stated above, the potential site could be the current Transfer Station building. We feel the town can operate for the next five years in its current format and this would be a logical step after relocating the Transfer Station.

Some other items that were listed as essential needs are as follows.

1. Handicap ramp - Library
2. Copier - Selectmen
3. Gates/Trees/Stones Repairs - Cemeteries
4. Stove & Refrigerator - School
5. Typewriter - Town Clerk

We feel that these items should be funded within the Department operating budgets. We see an honest need for each of these expenditures in the near future.

Items that were also discussed with the departments include the following:

1. Multi-Purpose Room for the school.
2. Ball Field.
3. Bathroom/Septic systems at the Library and Fire Station.
4. Photocopy machine at Library.
5. Lawn mowers and trimmers for Cemetery Dept.
6. Jaw of Life and Hazmat equipment for Fire Dept.
7. Air Compressor for the Forestry Dept.
8. Library addition.

We feel that these items are not critical to the operation of the town. They should, however, be looked at as possible additions to the list in a few years.

In closing, we could like to thank all the departments for their honest opinions and input. We hope this report reflects your immediate concerns. The total dollars recommended over five years is \$305,000 or \$61,000 per year. This would equate to an increase of about \$52.00 per home valued at \$100,000. We would like to think that this capital spending plan is responsible and achievable over the next five or six years.

TOWN ROAD COMMITTEE REPORT

The distinguished "Road Scholar" committee members include: Jim D'Arcy, Geoffrey Jones, Harry Power, Sally Ripley and Tom Yocono.

Purpose: At the 1993 Town Meeting, the selectmen requested that a road committee be formed to help obtain information regarding the towns 13 miles of class V roads. The objectives of the committee were to conduct an inventory on the culverts, bridges, and road surface conditions, and to create a report summarizing the findings and recommendations. The selectmen and road agent would use this information to develop an annual workplan, prioritize annual road maintenance schedules and determine annual budget requirements.

Summary of Activities: At the initial meeting, held on March 31, 1993, a general strategy was developed for obtaining field data and information from workshops and seminars. Committee members formed teams and were assigned roads that they were responsible for obtaining field data on.

On April 27-28, road David Vaillancourt and committee member Jones received training in the Road Surface Management System (R.S.M.S.) at a two day road surface management workshop, sponsored by the New Hampshire Technology Transfer Center, UNH. (Vaillancourt and Jones volunteered their time and travel costs, the town paid the \$75/each, which included the registration fee for the course, the computer software package, and unlimited upgrading of software and free technical support from the Technology Transfer Center).

This system, developed by the UNH Technology Transfer Center, is designed to help small to mid-sized towns identify their road surface management needs. The R.S.M.S. provides a means to visually inventory and evaluate a variety of road surface problems for both paved and unpaved roads. The data collected is entered into a computer program, which forms the basis for objective decisions about overall road surface management and repair strategies.

In June, committee members Jones and Yocono obtained useful information at a one day conference on bridge and road maintenance, sponsored by the N.H. Road Agent Association and the UNH Technology Transfer Center. (Jones and Yocono volunteered their time and transportation, at no cost to the town).

In June and July, committee teams inventoried each road for its total length and average width. All side and cross road culverts were measured for length and diameter and inspected for their type of construction material (metal, concrete, stone, etc.), working effectiveness and physical condition.

On August 6th, Vaillancourt, Jones and Yocono assessed all road surfaces using the R.S.M.S. procedure. Tom Yocono spent the better part of September and October entering this information into a computer, working closely with the UNH Technology Transfer Center personnel in learning how to use this system. This program identified repair strategies, associated costs, and prioritized road maintenance needs. The results of this assessment and the inventory are forth coming in a detailed Road Report.

Bridges: The Shedd Hill Bridge that crosses the Highland Lake outlet, in Mill Village, is experiencing serious decay of the concrete deck and abutments and is in urgent need of attention. Meanwhile state inspectors recommend that the weight limit be restricted to 6 tons and traffic speed limited to 15 mph.

Representatives from five bridge manufacturers visited with committee members to discuss replacement options. Committee members reviewed cost/benefit comparisons for several types of bridges, including: an all steel bridge with an asphalt deck; a pre-cast concrete bridge; a steel bridge with a wooden deck; and two types of timber bridges. Cost-estimates for the various bridges ranged from \$50,000 to \$120,000, but did not include associated costs for the bridge installation, excavation, or abutment repairs. Dissatisfied with their proposals, the committee sought help from the N.H. Department of Transportation.

A state of N.H. highway bridge engineer inspected the bridge and later submitted a comprehensive proposal for a concrete and steel bridge with an asphalt deck and new abutments, built to state and federal standards. The total cost of this proposal is \$395,000. Up to 80% of this amount could be cost-shared with state and federal funds, which would reduce the towns' share to \$79,000.

Unlike the other proposals, this proposal includes the cost of a temporary bridge, engineering costs, wetlands permits, abutment replacement, and the bridge installation. In addition, once the town has been accepted into the program, if the bridge falls before it is replaced, the state will install a temporary bridge with easy installment payments. All bridge proposals were based on H-25 loading specifications.

Old Antrim Road: Old Antrim Road is 2.5 miles in length and connects Shedd Hill in Mill Village, with route 9, not far from the twin arch stone bridge. Approximately one-half mile at both the east and west ends is maintained by the town, leaving a 1.5 mile section in the middle derelict.

The unmaintained section is narrow, averaging less than 10 feet in width. Several narrow sections lack room for proper ditching and snow removal, not to mention cars passing each other. Two flat sections, one 1,300 ft. in length, had a lot of standing water, the second 1,500 ft. in length, was under 1-2 feet of water, and is now part of the adjacent Barrett Pond impoundment. Of the thirteen culverts needed to properly drain this 1.5 mile section of road, seven do not exist and need to be installed, while three need to be replaced. To upgrade this road just for emergency purposes would cost several thousand dollars.

Discussion: Seventeen roads ranging in length from .1 to 2.5 miles, comprise the 13+/- miles of class V roads that the town of Stoddard is responsible for. Valley Road, located on the west side of Highland Lake, has to be approached through the town of Washington. Boulder Road, located on the west side of town, near Chandler Meadow, has to be approached through the town of Sullivan. The balance of the roads are readily accessed from either route 123 or route 9. To make the loop over this scattered and fragmented road system, one has to drive over 200 miles round trip, which takes several hours to complete.

Because of the difficulty in cost-effectively servicing Valley Road and Boulder Road, the maintenance of both roads are contracted out to an independent contractor and the town of Sullivan, respectively. Because of the difficulty in reaching these roads, their inventory data is incomplete.

The other fifteen roads contain 182 culverts: 131 galvanized, 36 concrete, 6 stone, 2 plastic, and 7 unidentified. If all the culverts were laid end to end, they would extend for 1.2 miles. At 1993 prices, these culverts represent a \$43,116 dollar investment (not including installation).

For the most part, committee members were pleased to not that the general condition of this road system is in better shape than what most expected. The current road agent, David Vaillancourt, should be commended for his effective resourcefulness in maintaining these roads with limited funds, to the current standards.

The R.S.M.S. involves using techniques that an experienced road agent can quickly learn in a two day workshop. To learn how to use the computer program requires an operator familiar with the use of an IBM compatible computer. The committee was favorably impressed with repair strategy options and the accurate cost analysis that the R.S.M.S. program offers. Once the initial computer program is established, the data base can be updated very quickly to accommodate changes. If annual road surface assessments are made using this system, objective prioritization of projects and budget information can quickly and easily be obtained.

While conducting field work this past summer, committee members noticed several examples where there were inconsistencies in past work performed, materials used, and management philosophy from one road agent to the next. The committee felt that these problems were compounded by a series of short-term contracts with different contractors and lack of supervision by the selectmen, all to the detriment of those who use and pay for the road maintenance. The committee has identified a number of ways to improve this process.

Summary of Results and Recommendations: It is a well documented fact that costs associated with road repairs are directly related to the stage of road deterioration. Roads that are maintained in a good condition, if allowed to experience a 40% or more drop in quality, will cost four to five times as much to repair. A standard rule of thumb on gravel roads where traffic volumes exceeds 100 cars/day, the average road will loose 1" of gravel/year. Roads with a 5-10% grade will loose 2"/year, while roads having a grade 10% or greater will loose in excess of 3"/year. These situations can be minimized with a good preventative maintenance program (An ounce of prevention is worth a pound of cure).

The road committee recommends making the following improvements to the way roads are being maintained, in order to help minimize long-term road costs, with an emphasis on preventative maintenance techniques:

The Selectmen and Road Agent should develop a formal workplan each year, that includes an annual or semi-annual road review to identify high risk problems, so they can be solved before expensive emergency repairs are required.

A more aggressive preventative maintenance program should be pursued, such as culvert inspection, cleaning and repairs, ditching, chip sealing of paved roads, and improved vegetation control.

The road agent should develop sedimentation control on steep hills, for ditches and culverts, so that culvert failure and ditch erosion are minimized.

The selectmen should develop a card record keeping system for reporting work performed on each road, that includes seasonal maintenance, as well as structural improvements.

The selectmen need to make a better effort to supervise and/or critique road work on a regular basis. Before payments are made, the work performed should be checked by at least two selectmen...especially on major reconstruction projects.

The committee recommends pursuing the state cost-share plan to replace the Shedd Hill bridge in Mill Village. This process could take up to four years to complete, so the town should start the process as soon as possible. The town should make sure that the design of the bridge compliments the character of Mill Village.

The committee discourages the reclamation of the Old Antrim Road at this point in time. The costs to improve and maintain this road would be better spent on fixing the Shedd Hill bridge. However, if the final decision of the Shedd Hill bridge remains unresolved with the voters, the selectmen should consider upgrading the 1.5 mile center section for emergency purposes only.

The committee recommends that the town buy state approved gravel from processing plants. The initial expense will be offset by: 1) better quality material for longer lasting results, 2) more accurate and consistent record of the amount purchased, and 3) when gravel is purchased and delivered to the site as needed, hidden costs associated with stockpiling and excessive handling are eliminated.

The committee encourages the selectmen to enable the road agent to attend appropriate road workshops and seminars sponsored by the N.H. Road Agent Association and UNH Technology Transfer Center, with expenses for registration and travel costs sponsored by the town. If the town wants cost-effective maintenance of their roads, it is imperative that the town and the road agent stay abreast of the latest information.

The Town should express confidence in the road agent and offer a long-term (3-5 year) contract Agreement for this position. This contract should include a comprehensive written contract that specifies all the work that is to be performed by the road agent. The committee feels that the current system of piece-meal contracting, based on accepting the low bid, is not effective in the long run. Therefore, the road committee discourages the practice of sub-contracting road work to contractors other than the road agent, unless such work is beyond the road agent's capability. By fostering trust and confidence in the road agent, the town should benefit from improved quality, continuity and accountability of work performed. The road committee believes that the current road agent, David Vaillancourt, should be offered such a long-term contract.

The committee recommends that the town embark upon a strategic long-term planning process for the towns roads, using the R.S.M.S. method for identifying and prioritizing road work and for establishing annual budgets.

1993 Road Work Priorities: Based on traffic use and the R.S.M.S. evaluation, the road committee recommends the following road improvements be made in the following order of priority:

1) Shedd Hill Road Bridge:

Begin the process to replace the bridge (Submit application, set money aside in capital reserve fund).

2) Shedd Hill Road Repairs:

From Carr's Landing to Carr's Brook, pave with 1" overlay.

3) Queen Street: Chip coat and seal (single layer).

4) Bailey Street:

Because this road receives a moderate amount of intertown traffic, and as long as it remains a class V road, the Town of Stoddard has a responsibility to keep this road in reasonable shape. It currently needs gravel, regrading of surface, shoulders, and ditches.

5) King Street:

The unpaved section from the newly paved section to the end of the town maintained section needs gravel, regrading, and compaction.

6) Center Pond Road:

From Cushman's to Sawyer's the road needs gravel, regrading, and compaction.

7) Old Antrim Road:

The west end needs gravel, regrading, compaction; the shoulders and ditches need grading.

8) General repair work should include problem areas identified in the forth coming report, which include but is not limited to the following: cleaning 25 culverts identified as being plugged or partially plugged; replacing 6 culverts that are old or destroyed; replacing ditch and culvert delineators and guard rail posts that are destroyed or missing; and repairing culvert headers.

In conclusion, members brought a wide range of experience and views to this process, and invested over 280 hours obtaining field data, gathering information from manufacturers and road officials, and attending workshops. The recommendations put forth, were tempered by some heated, yet constructive discussions. As a result, the committee feels these recommendations represent practical, logical and cost-effective options for the voters. It is in this spirit that we offer this report.

Respectfully submitted:

Geoffrey Jones, Tom Yocono, Harry Power,
Jim D'Arcy and Sally Ripley

GRANITE LAKE VILLAGE DISTRICT
REPORT OF ANNUAL MEETING

The Annual Meeting for the Granite Lake Village District of Stoddard and Nelson was held on April 18 at 2:00pm at the Chapel by the Lake. John Halter was the Moderator of the meeting.

The following were elected.

Commissioner 3-year term - David Knight
Commissioner 2-year term - Robert Woods
Commissioner 1-year term - David Costin
Treasurer - Thomas Yocono, Jr.
District Clerk - Susan Yocono
Moderator - John Halter

The District voted to authorize the Commissioners to contract with the Department of Environmental Services, Water Resources Division, the operation and maintenance of the dam. \$1,000 was appropriated for a deposit on the contract.

The District also voted to raise and appropriate \$1,000 to purchase general liability insurance raising any other sums necessary to defray Village District expenses for the ensuing year.

It was voted to hold the annual meeting, beginning in 1994, immediately following the Granite Lake Association meeting which is held on the second Sunday in July. If the Granite Lake Association meeting is not held, the Village District meeting shall begin at 2:00pm.

There being no further business, the meeting was adjourned to 2:25pm.

Respectfully submitted:
Susan Yocono, District Clerk

HOME HEALTH CARE & COMMUNITY SERVICES, INC.
REPORT TO THE TOWN OF STODDARD
JANUARY 1, 1993 TO DECEMBER 31, 1993

ANNUAL REPORT

In 1993, Home Health Care and Community Services (HCS) continued to provide home care and community services to the residents of Stoddard. The following information represents a projection of HCS' activities in your community in 1993. The projection is based on actual services provided from January through September 1993 and an estimate of usage during October, November and December.

SERVICE REPORT

<u>SERVICES OFFERED</u>	<u>SERVICES PROVIDED</u>	<u>SERVICES SUPPORTED PARTIALLY OR TOTALLY BY THE TOWN</u>

Adult In-Home Care	1,557 Hrs	0 Hours
Child Health Prog.	2 Children	2 Children
Health Promo Clinics	4 Clinics	4 Clinics

Total Unduplicated Residents Served: 27

Regularly scheduled wellness clinics, child health clinics, prenatal and hospice care are also available to residents. Town funding partially supports these services.

FINANCIAL REPORT

The actual cost of all services provided in 1993 with all funding sources is projected to be \$36,506.66.

The total cost of services provided for a partial fee, or at no charge to residents in 1993 is projected to be \$978.25 for home care.

For 1994, we recommend an appropriation of \$1,800 to continue home care services at the current level.

Thank you for your consideration.

Agency History:

Monadnock Family Services was organized in 1959 following a joint study by the Cheshire County Community Services Council and the League of Women Voters (Keene and Peterborough). Originally named Monadnock Area Family Service, the agency was organized through a merger of the Bureau of Public Service and the Keene Mental Hygiene Association. The service operated in this form through 1966, expanding in a five year period to a staff of two full time social workers with psychiatric and psychological consulting support.

In 1967, following a study during the previous two years, a community mental health clinic service was organized providing direct psychiatric and psychological services. This program added two psychiatric consultants, a clinical psychologist and one social worker to the agency staff.

Now in 1992, Monadnock Family Services has grown from providing only outpatient services in its early years to providing a much broader range of services in response to community needs. MFS operates out of five district offices: Keene, Peterborough, Winchester, Jaffrey and Walpole. We serve the 38 towns of the Monadnock Region. Our services now include the following:

- Counseling Services for Adults
- Adolescent & Children's Treatment
- Elderly Services and RSVP
- Psychological Testing
- 24-Hour Emergency Services
- Parenting Programs
- Housing
- Client Service Management
- Partial Hospitalization
- Community Support Programming/Vocational Services
- Volunteer Center

Keene and Walpole District Office

The Keene and Walpole District Offices of Monadnock Family Services provides outpatient services for children and adults living in the towns of Keene, Alstead, Chesterfield, Fitzwilliam, Gilsum, Marlborough, Marlow, Nelson, Roxbury, Stoddard, Sullivan, Surry, Swanzey, Troy, Walpole and Westmoreland. Included among these services are individual, group, family and marital psychotherapy, as well as twenty-four hour crisis intervention. In addition, the Keene District Office provides special services for the Elderly, Vietnam Veterans, Adventure-Based Programs for Youth, Sexual Abuse victims, Sexual Offenders and pregnant teenagers and adolescent parents.

Monadnock Family Services is also continuing the alcohol and drug abuse prevention project in the Fall Mountain School District, Keene Junior High School and Keene High School. This project provides consultation to teachers, administrators, parents and students around ways to address the problems of substance abuse and chemical dependency.

The staff of the Keene and Walpole District Offices are all trained professionals who are committed to meeting the mental health needs of the communities they serve.

**TOWN MEETING -TOWN OF STODDARD
MARCH 9, 1993**

To the inhabitants of the Town of Stoddard in the said County of Cheshire in the State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday, the Ninth (9th) day of March 1993 at One (1:00 PM) of the clock in the forenoon, to act upon the following subjects:

	Constable	David Vaillancourt	1 year
	Planning Board (2)	Patricia Campbell	3 years
		Priscilla Holland	3 years
	Board of Fire Ward (3)	Brian W. Cahill	1 year
		Daniel A. Eaton	1 Year
		John Cressy	1 Year
	Cemetery Commission	Betty Weaver	3 years
(3)	Surveyors of Wood & Lumber	Louis Clark	3 years
		Wayne Fuller	3 years
		Wally Weaver, Sr.	3 years
	Auditors (2)	Louis Grandpré	1 year
		Virginia Grandpré	1 year
	Sexton	Gordon Garnett	1 year
	Liquor Agent	Melvin Bull	1 year

2. To see if you are in favor of adopting the Proposed amendment and additions to the Community Planning (Zoning) Ordinance as Proposed by the Stoddard Planning Board.
(No discussion on the Article).

To remove the currently needed special exception under Article III, Section 1., Setbacks or accessory buildings under 100 square feet being located within fifteen feet from a side or rear lot line.

Result: 74 YES 43 NO

Article 2 is adopted.

You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday the Sixteenth (16th) day of March 1993 at Seven (7:00 PM) of the clock in the evening, to act upon the following articles 3 through 34:

3. To see if the Town will vote to authorize the Selectmen and Treasurer to borrow money in anticipation of taxes if necessary Moved by John Halter, seconded by John Lightbody, Jr.

Art. 3 is adopted.

4. To see if the Town will vote to raise and appropriate the sum of \$10,580 for the purchase and installation of a baler and glass crusher to be used for recycling purposes at the towns Transfer Station. Moved by John Halter, seconded by John Lightbody, Jr. Discussion. Bob Kirker from the Transfer Station explains the need for this. John Halter, Selectman gives us the figures from previous years to show our costs have been decreasing.

Art. 4 is adopted.

5. To see if the Town will vote to raise and appropriate the sum of \$41,000 for the operational expenses of the Stoddard Recycling and Transfer Station. Moved by John Halter, seconded by Jim D'Arcy.
Art. 5 is adopted.

6. To See if the Town will vote to raise and appropriate the sum of \$627 as its share for the support of the Monadnock Family and Mental Health Services. Moved by John Halter, seconded by Jim D'Arcy.
Art. 6 is adopted.

7. To see if the Town will vote to raise and appropriate the sum of \$1,800 as its share for the support of the Home Health Care and Community Services. Moved by John Lightbody, Jr. and seconded by John Halter.
Art. 7 is adopted.

8. To see if the Town will vote to raise and appropriate the sum of \$3,200 for the operation and maintenance of the Davis Library. Moved by Frances Rumrill, seconded by Mary Lou Eaton.
Art. 8 is adopted.

9. To see if the Town will vote to raise and appropriate the sum of \$120,500 to defray Town charges for the ensuing year. Amended and moved by John Halter to raise and appropriate the sum of \$110,500 to defray Town charges for the ensuing year. Seconded by Jim D'Arcy. John Halter explains the decrease in savings on Insurance costs and interest savings on Tax anticipation notes.
Art. 9 is adopted as amended.

10. To see if the Town will vote to raise and appropriate the sum of \$2,500 as operating budget for the Stoddard Planning Board for the ensuing year. Moved by John Bohl, seconded by Patricia Putnam. John Bohl, Chairman of the Planning Board breaks down figures for the budget.
Art. 10 is adopted.

11. To see if the Town will vote to raise and appropriate the sum of \$615 for membership to the Southwest Region Planning Commission for the coming year. Moved by Jane Abert, seconded by Louis GrandPre.
Art. 11 is adopted.

12. To see if the Town will vote to raise and appropriate the sum of \$1,090 for the operating budget of the Stoddard Zoning Board of Adjustment. Moved by Bob Cowie, seconded by John Halter.
Art. 12 is adopted.

13. To see if the Town will vote to raise and appropriate the sum of \$200 for the operation of the Stoddard Conservation Commission. Moved by Jane Abert, seconded by Frances Rumrill.
Art. 13 is adopted.

14. To see if the Town will vote to raise and appropriate the sum of \$1,015 for the Lay Monitoring Program. Moved by Cindy Bohl, seconded by Ken Peate.
Art. 14 is adopted.

15. To see if the Town will vote to authorize the Selectmen to apply for and accept gifts and /or State or Federal Aid in the name of the Town of Stoddard for the operation and legitimate expenditures of any appropriate Stoddard agency. Moved by Jim D'Arcy, seconded by John Halter.
Art. 15 is adopted.

16. To see if the Town will vote to authorize the Selectmen to sell by auction or by advertised sealed bid, properties acquired by the Town through Tax Collector's deeds in accordance with RSA 80:42. Moved by John Halter, seconded by Jim D'Arcy. An Amendment by Chet Pratt to remove by advertised sealed bid and include the words "sell by auction" so the Article would read: To see if the Town will vote to authorize the Selectmen to sell by auction properties acquired by the Town through Tax Collector's deeds in accordance with RSA 80:42. Seconded.
Art. 16 is adopted as amended.

17. To see if the Town will vote to raise and appropriate the sum of \$5,000 to add to a Capital Reserve fund created in 1992 for the purchase of land and or buildings for future Town use. Moved by John Halter, seconded by Jim D'Arcy. Discussion follows. Amended by John Halter to change the wording to "Land" only. The article would then read: To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to add to a Capital Reserve fund created in 1992 for the purchase of land for future Town use. Seconded by John Lightbody, Jr.
Art. 17 adopted as amended.

18. To see if the Town will vote by ballot to dissolve the Ashuelot Valley Refuse Disposal District organized under RSA Chapter 53-B (the "District"), pursuant to the provisions of Article VI, Section 7 of the district agreement for the District and the provisions of the plan of dissolution approved by the district committee of the District, a copy of which plan of dissolution has been submitted by the District of the Town. A 2/3rds majority vote is required to approve this article. Brian Cartwright discusses article. A ballot vote is taken. There were 82 voters. YES 76 / NO 6
Art. 18 is adopted.

19. To see if the Town will vote to raise and appropriate the sum of \$14,450 for the operating budget of the Stoddard Fire & Rescue Department for the ensuing year. Moved by Brian Cahill, seconded by Doug Connor.
Art. 19 is adopted.

20. To see if the Town will vote to raise and appropriate the sum of \$2,000 for ambulance service for the ensuing year. Moved by PJ Lamothe, seconded by Doug Connor. An amendment by PJ to include the word "Antrim" so that the article would read: To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for Antrim ambulance service for the ensuing year. Seconded.
Art. 20 is adopted as amended.

21. To see if the town will vote to raise and appropriate the sum of \$65,000 for the purchase of a 4-wheel drive rescue vehicle and to authorize the withdrawal of \$20,000 and all additional interest earned from the capital reserve fund created in 1992 for that purpose. The balance of \$45,000 to be raised from general taxation. Moved by Brian Cahill, seconded. An amendment by Brian Cahill to raise and appropriate the sum of \$53,000.00 for the purchase of a 4-wheel drive rescue vehicle and to authorize the withdrawal of \$20,000.00 and all additional interest earned from the capital reserve fund created in 1992 for that purpose. The balance of \$33,000.00 to be raised from general taxation. Seconded by Joe Sarcone. Discussion follows.
Ballot vote is requested.
86 Voters. The final count was YES 38 / NO 48. Art. 21 fails.

22. To see if the town will vote to raise and appropriate \$20,000 to be placed in the capital reserve fund established in 1992 for the purchase of a 4-wheel drive rescue vehicle. Moved by Doug Connor, seconded by Brian Cahill.
Moderator calls for a standing vote as voice vote not clear.
On a standing vote YES 35 / NO 39 Art. 22 fails.

23. To see if the town will vote to raise and appropriate \$3,000 for the purchase of two sets of breathing apparatus for the Stoddard Fire and Rescue Department. Moved by Brian Cahill, seconded by Joe Sarcione.

Art. 23 is adopted.

24. To see if the Town will vote to raise and appropriate the sum of \$1,250 for the operating budget of the Stoddard Fire Warden, to include the purchase of equipment, meeting and training.

An Amendment by Joe Sarcione to read: To see if the Town will vote to raise and appropriate the sum of \$1,450.00 for the operating budget of the Stoddard Fire Warden to include the purchase of equipment, meetings and training. Seconded by Frances Rumrill.

Art. 24 is adopted as amended.

25. To see if the Town will vote to raise and appropriate the sum of \$13,029 for the operating budget of the Stoddard Police Department. Moved by David Vaillancourt, seconded by Don Fleming.

Art. 25 is adopted.

26. To see if the Town will vote to raise and appropriate the sum of \$84,000 for winter and summer maintenance, emergencies & repair of Town roads and bridges. Moved by John Halter, seconded by Jim D'Arcy. A breakdown of expenses is given by Selectmen Jim D'Arcy. Discussion on a petition to fix Old Antrim Rd. which is a Class VI road. This would be for emergency use only and the cost would be within the \$84,000.00 appropriated. Cost approximately \$5,000.00. Discussion on contracts for the roads. John Halter, Selectmen would like volunteers for a Road Committee to help guide them. Harry Power moves to limit debate. Debate limited carries.

Art. 26 is adopted on a voice vote unanimously.

27. To see if the Town will vote to authorize the Selectmen to sell by auction or advertised sealed bid, the old army surplus tanker, the funds to be placed in the general fund. Moved by John Secco, seconded by John Halter.

Art. 27 is adopted.

28. To see if the Town will vote to raise and appropriate the sum of \$4,200 for the purchase & installation of a new oil furnace for the Town Hall. Moved by Frances Rumrill, seconded by Harry Power. Discussion follows. An amendment by John Cressy to change the wording of the article to read: To see if the Town will vote to raise and appropriate the sum of \$4,200.00 for the renovation of the Town Hall heating system. Seconded by Brian Cartwright.

Art. 28 is adopted as amended.

29. To see if the Town will vote to raise and appropriate the sum of \$2,400 for the purchase & installation of twelve (12) storm windows for the Town Hall. Moved by Mary Lou Eaton, seconded by John Halter. Discussion follows. An amendment by Brian Cartwright to change the article to read: To see if the Town will vote to raise and appropriate the sum of \$1,600.00 for the purchase and installation of twelve (12) general window retro fitting storm windows for the Town Hall. Seconded by Harry Power.

Art. 29 is adopted as amended.

30. To see if the Town will vote to raise and appropriate the sum of \$4,300 for the purchase & installation of new front entrance doors for the Town Hall. Moved by Frances Rumrill, seconded by John Halter. Brian Cartwright explains costs and the job involved. An amendment by Joe Sarcione to change the wording of article to read: To see if the Town will raise and appropriate the sum of \$4,300.00 for the purchase and installation of new front entrance doors and renovations to the Town Hall. Seconded by Carol Clark.

Art. 30 is adopted as amended.

31. To see if the Town will vote to raise and appropriate the sum of \$4,500 for building maintenance & repairs to the New Fire Station. Moved by Brian Cahill, seconded by Doug Connor. Discussion by Brian Cahill in regard to what needs to be done.
Art. 31 is adopted.

32. To see if the Town will vote to raise and appropriate the sum of \$2,500 to restore & microfilm three (3) volumes of old town records. Moved by Frances Rumrill, seconded by Charlotte Pratt.
Art. 32 is adopted.

33. To see if the Town will vote to raise and appropriate the sum of \$1,300 for the purchase & installation of a new high speed printer, transportable disk back-up system, and software for Town Hall computer. Moved by Brenda Bryer, seconded by John Halter. Brenda Bryer addresses the need for this equipment. Carol Clark would like to see the Town give the old printer to the School. Brenda agrees.
Art. 33 is adopted.

34. To transact any other business that may legally come before said meeting. George Cahill recommends to the Selectmen to bring assessments closer to 1993 Real Estate value and have the Selectmen re-asses properties. After some discussion the consensus motion was unanimous to this recommendation.

A suggestion was made to see if those present would be in favor of putting an article in next years warrant to have our Town Meeting in May. There are a lot of residents who are not here in March and would be able to vote on the issues. Also it would bring our fiscal year in line with the School. The consensus vote was No.

On behalf of the Antrim Ambulance Service, P.J. Lamothe said that they will be sending out letters looking for donations to purchase a newer ambulance.

Carol Clark would like to see a Ad-Hoc Budget Committee formed to gather information relative to the Towns needs and transferred to the Selectmen or departments when appropriate. Several people volunteered to serve on the committee.

John Halter, Selectmen would like to thank and offer a round of applause to John Lightbody, Jr. who has served as Selectmen for 3 years very well on the board and has not seeked re-election.

Being no other business the Meeting was adjourned at 10:55 P.M. Moved by Nicole Faulkner, and seconded by Mary Lou Eaton.

All newly elected officers to come forward to be sworn in by the Moderator.

Respectfully Submitted:
Joan A Read - Town Clerk

ANNUAL

SCHOOL REPORT

TOWN OF

STODDARD

NEW HAMPSHIRE

STATE OF NEW HAMPSHIRE
STODDARD SCHOOL DISTRICT
1994 SCHOOL WARRANT

To the inhabitants of the School District of Stoddard qualified to vote in District affairs.

You are hereby notified to meet at the Stoddard Town Hall in said District on the 10th day of March, 1994 at 7:00 p.m. to act upon the following subjects:

1. To choose by nonpartisan ballot the following School District officials:
 - A. One School Board Member - 3 year term
 - B. One Moderator - 1 year term
 - C. One Treasurer - 1 year term
 - D. One Clerk - 1 year term
 - E. One Auditor - 1 year term
2. To hear reports of agents, auditors, and committees or officers chosen, or to take any other action in relation thereto. (THIS WARRANT ARTICLE IS SUPPORTED BY THE SCHOOL BOARD.)
3. To determine and appoint the salaries of the School Board and fix compensation for any other officers or agents of the District, or to take any other action in relation thereto. (THIS WARRANT ARTICLE IS SUPPORTED BY THE SCHOOL BOARD.)
4. To see what sum of money the District will vote to raise and appropriate for the support of schools, and for the payment of salaries of School District officials and agents and for the payment of statutory obligations of the District, or to take any other action in relation thereto. (THIS WARRANT ARTICLE IS SUPPORTED BY THE SCHOOL BOARD.)
5. To see if the District will vote to raise and appropriate the sum of \$43,000 (forty three thousand dollars) as a deficit appropriation for the 1993/94 school year, said amount to cover unanticipated costs, and to determine what portion thereof will be raised by taxation, notes of the District or other means, or to take any other action in relation thereto. (THIS WARRANT ARTICLE IS SUPPORTED BY THE SCHOOL BOARD.)
6. To choose agents and committees in relation to any subject in this warrant.

7. To transact any other business that may legally come before said meeting.

Given under our hands at said Stoddard this 8th day of February, 1994.

HEAD TEACHER'S REPORT

Last spring the kindergarten class and the primary class studied ocean life and made a visit to the New England Aquarium, where they got to see many of the sea creatures they had studied about.

The primary class also spend some time learning about dinosaurs, and got to see some animated, lifelike dinos. While, the kindergarten class hatched chicken eggs, and studied hermit crabs.

The intermediate class did an intensive study of New Hampshire history. Visits were made to the Farming Museum, where students were able to use many old tools, to the Keene Children's Museum, where students rode in a covered wagon, a trip to Franklin Pierce's Homestead, and a very exciting trip to Heritage New Hampshire, which took students on a ship to the New Land, and ended with a simulated train ride through the White Mountains.

Old Fort #4 sent a few colonial visitors that shared much about their life and the tools they used. Many of our own students brought in old tools and items from days gone by, to share with the class. The Stoddard Historical Society provided a wonderful walking tour of the local historical sites, thanks to Allen Rumrill. Two of Marlow's historians came and presented a slide show of the Stoddard/Marlow fire.

We began this school year with a new school nurse. Carol Hill has joined the Stoddard staff. If her name sounds familiar, it's because Carol was with us a few years ago. She had left to pursue other options and has since returned to school nursing.

This fall the kindergarten and primary grades studied about birds in honor of the new bird feeders, which were made possible by a grant donated to the school. They also studied bugs for a long time. These students went on a trip to Stonewall Farm, where they were able to go on a pumpkin ride to visit the Great Pumpkin and receive a pumpkin to take home.

Kindergarten also spend time on nutrition, and learning about their five senses. They also learned how seeds get around and what their purpose is.

Presently, the primary class and the intermediate grades are working in the "Here's Looking at You, 2000," which is a drug and alcohol abuse prevention program.

The intermediate grades have been studying about Egypt, and the Middle Ages, in honor of the novels they have read in their reading class. A trip was made to the Boston Fine Arts Museum, in order that students could see mummies and other Egyptian artifacts. Another trip is planned to visit the Higgin's Armory Museum where students will be given the chance to see many different styles of armor, and even try some on!

Once again, I would like to thank all of you that take the time to help out. From the many people that have helped to clean up after a school program, to the many individuals who come to the school for deliveries, cooking, and class aides.

Respectfully submitted,

Mark R. LaFleur
Head Teacher

STODDARD SCHOOL DISTRICT

SCHOOL BOARD REPORT

We think that this has been an exceptionally good year at the James Faulkner School. The only uncooperative problem we have had seems to be the weather, which has caused closings, delays, and the general frustrations that accompany it. We have an excellent staff, all of whom work very well together. Our only staff change this year is our music teacher, Mark Polifrone. Mark lives in Stoddard, and has brought an enthusiastic, fun program of music to the students. We were very fortunate to have him join us.

After suffering the pangs of reorganization of the Supervisory Union, we are now reaping the benefits of a very well organized, cooperative group of people who respond to our questions, none of which are too small. Don Jones, our Superintendent, attends our monthly meeting which is held at the school on the third Tuesday of the month at four o'clock in the afternoon. Anyone is welcome to attend. Don tends to our requests quickly and efficiently, and we have an excellent line of communication. We could not be happier with ALL of his staff.

Financially we have high hopes of having a surplus which will pay off our debt to the town. Again this year, we purchased our fuel oil ahead in order to insure a lower price per gallon.

Our enrollment this coming year is increasing, so we are exploring ways to handle the problem in the best possible way. One thought is to make the kindergarten position full time, and have the grades divided in K-1, 2-3, and 4-5. Grades six through twelve are tuitioned to Keene. We will be exploring alternatives, and welcome suggestions.

Patricia Campbell and Barbara Jones received a financial conservation award for work they had done, and generously turned it over to the school for a science project. Three aviaries (bird feeders that sit in the window and extend into the room) have been purchased and installed, as well as bird seed and Audubon bird identification books. The teachers also are talking about making a nature/literature trail.

Because Stoddard does not have a regular playground, we would like to eventually clear land just before the school to make an area large enough for a community playground, which would include a baseball diamond, basketball hoops, as well as other playground equipment. We would like to see this accomplished with some volunteer efforts, and we also plan to apply for recreation grants.

So many do so much, and it is probably unfair to single out individuals, but the Board is most grateful to Marline Leotta, who agreed to act as Board Clerk. She has done an outstanding job, and we desperately hope that she will continue. The job of clerk has become increasingly important for keeping accurate records. We also want to give special mention to Ray Lagasse, who is a super custodian, teachers' aide, gym teacher, and all-round fix-it man! He anticipates problems and takes care of them. He has undoubtedly saved us considerable money and frustration by not having to hire people in to do the jobs. He is patient, thoughtful, capable, the kids love him, and we thank him profusely!

Respectfully submitted,

Mary Lou Eaton, Chairman
Helen Bouchard
Brenda Howard

SCHOOL NURSE'S REPORT

1993-1994

The school health program during the 1993-94 calendar year included screenings for all students in the following areas: height and weight, hearing, and vision. Fourth and fifth grade students will be having scoliosis checks in the spring. Immunization records of all students were reviewed and the yearly report was sent in to the State. Parents were notified if a physician referral was indicated by these screenings. Head checks for lice were done monthly.

Health classes were given to all students. The kindergarten through second grade students learned about personal hygiene, personal fitness, and exercise, parts of the body, and nutrition. Fire safety relating to holidays and summer activities was discussed with all students. The upper grades will learn about self-esteem and peer pressure, and the fourth and fifth graders will be having a unit on puberty and adolescence.

Respectfully submitted,

Carol M. Hill, R.N.
School Nurse

STATE OF NEW HAMPSHIRE
STODDARD SCHOOL DISTRICT
ANNUAL MEETING

1993 SCHOOL WARRANT

The 1993 School Warrant Meeting was opened at the Stoddard Town Hall, on March 11, 1993, at 7:03 p.m. by Moderator Daniel Eaton. John Secco led the Pledge of Allegiance at the request of Daniel Eaton. Present at the meeting from the Stoddard School Board were Chairman Jo Ann Monty, Mary Lou Eaton, and Helen Bouchard. Suzanne Taylor was sworn in as temporary clerk of the board and Daniel Eaton was Moderator. Present from SAU #24 were Superintendent Donald Jones, Business Administrator James Crane, Special Services Coordinator Joseph Denning, Attorney Douglas Hatfield, Auditor David Clukay, and Special Education Secretary Linda Smith. Present from the Stoddard School Staff was Mark LaFleur, Head Teacher.

ARTICLE 1. To choose by nonpartisan ballot the following School District Officials:

- A. One School Board Member - 3 year term.
- B. One Moderator - 1 year term.
- C. One Treasurer - 1 year term.
- D. One Clerk - 1 year term.
- E. One Auditor - 1 year term.

Jo Ann Monty moved that the polls be open until 9 p.m. or the close of the meeting whichever shall occur last, motion was seconded by Mary Lou Eaton. Motion carried.

ARTICLE 2. Mary Lou Eaton moved to accept the reports of Agents, Auditors, Committees, and Officers as printed in the Annual Report. Seconded by Charlotte Pratt. Motion carried.

ARTICLE 3. Helen Bouchard moved to set the salaries of the School Board and fix compensation for officers and agents of the District as included in the 1993-94 budget. Seconded by Suzanne Taylor. Motion carried.

ARTICLE 4. Jo Ann Monty moved to raise and appropriate the sum of \$660,001 for the support of school and for the payment of salaries of school district officials and agents and for the payment of statutory obligations of the district. Seconded by Mary Lou Eaton. Discussion from the floor included questions from Dr. Wellwood about increased tuition costs, Harry Power on motions for a new budget, Brenda Bryer on what action was taken on budget changes requested at the budget hearing. Harry Power made a motion to amend Article 4 to reduce the amount of the budget by \$15,500 to \$644,501. Motion was seconded by Brenda Bryer. Discussion on the amendment included Harry Power giving information as to how he arrived at his figure of \$15,500. Brenda Bryer questioned the health care benefits of the teachers and also the appropriation of \$1,800 for a new computer. There was also discussion from Carol Clark about SAU #24 district charges and the custodial pay raise. John Halter moved to table Article 4 until after Article 5 is voted on. Seconded by Carol Clark. Discussion followed. Motion to table is carried.

ARTICLE 5. Mary Lou Eaton moved to raise and appropriate the sum of \$74,090 (Seventy Four Thousand Ninety Dollars), as a deficit appropriation for the 1992/93 school year, said amount to cover unanticipated costs. Seconded by Jo Ann Monty. Discussion included a clarification by Jim Crane as to the cause of the deficit, the Auditor, Dave Clukay detailed some of the issues which caused the deficit. Questions by Carol Clark and John Halter regarding safeguards to prevent such deficits in the future. Marlene Leotta requested additional information on the deficit. Kay Lightbody inquired as to SAU responsibility in the matter. John Halter made a motion to amend Article 5 to read "to see if the district will raise and appropriate the sum of \$25,000 to reduce the deficit for the 1992/93 school year." Seconded by Harry Power. Motion carries. Article 5 adopted as amended by voice vote.

ARTICLE 4. Brenda Bryer made a motion to return to Article 4. Seconded by Suzanne Taylor. Motion carries. Harry Powers withdrew his amendment to reduce Article 4 by \$15,500. Marlene Leotta asked for clarification on Special Education costs, Joe Denning addressed her concerns. Jo Ann Monty moved to vote on Article 4, with the 1993-94 budget figure of \$660,001. Seconded by Brenda Bryer. Article 4 is adopted by voice vote.

ARTICLE 6. Helen Bouchard moved to accept the provisions of RSA 198:20-b providing that any school district at an annual meeting may adopt an article authorizing indefinitely, until specific rescision of such authority, the school board to apply for, accept and expend, without further action by the school district, money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year. Seconded by Mary Lou Eaton.

Article 6 is adopted by voice vote.

ARTICLE 7. Mary Lou Eaton moves that Article 7 be indefinitely postponed. Seconded by Helen Bouchard. Article 7 is indefinitely postponed by voice vote.

ARTICLE 8. No further business.

George Cahill motions to adjourn the meeting. Seconded by John Halter. Motion carries by voice vote, meeting adjourned at 9:10 p.m.

Tally of votes on Article 1

Moderator

Daniel Eaton - 29
Robert Cowie - 2
Douglas Kidd - 1

School Board - 3 years

Rebecca Huslander - 8
Phil Hamilton - 1
Joanne Monty - 2
Brenda Howard - 27

Clerk

Marlene Leotta - 19
Suzanne Taylor - 4
Rachel Holland - 2
Peg Hahn - 1

Auditor

Louis Grandpre - 4
Virginia Grandpre - 10
Peg Hahn - 1
George Cahill - 1

Treasurer

Joan Read - 38

Results of the Votes Cast

Moderator - Daniel Eaton
School Board - Brenda Howard
Clerk - Marlene Leotta
Treasurer - Joan Read
Auditor - Virginia Grandpre

A True Copy Attest:

Suzanne M. Taylor, Temporary School District Clerk

PROPERTY VALUATIONS AND TAXES FOR 1993

TAX INFORMATION

TAX RATES - PER \$1,000.00 ASSESSMENT

	1990	1991	1992	1993
TOWN	3.05	2.13	2.11	1.59
SCHOOL	3.88	3.70	4.89	5.71
COUNTY	<u>1.65</u>	<u>1.65</u>	<u>1.61</u>	<u>1.69</u>
TOTAL TAX	\$8.58	\$7.48	\$8.61	\$8.99

EQUALIZATION RATE

1990	1991	1992	1993
100%	114%	123%	

Equalization Rate: Each year the Selectmen complete a report for the Department of Revenue Administration. This report list all the properties sold in Stoddard for the past year with the sale price. The Selectmen must report the Assessed Valuation of the property and note if the sales was within a family. Based on this information the Department Of Revenue Administration calculates the percentage of Assessed Value to Market Value. Stoddard Assessed Value has been greater than Market Value since 1991. The 1993 rate will be set in March 1994.
